

On Election Day –

Remember to bring your current (unexpired) Michigan Driver's License or Michigan Personal Identification Card to your polling location on Election Day.

Due to a recent court ruling, every Michigan voter must present picture identification at the polls, or sign an affidavit attesting that he or she is not in possession of picture identification.

Voters who do not possess either document may show any of the following forms of picture identification as long as they are current:

- Driver's License or personal identification card issued by another state
- Federal or state government-issued photo identification
- U.S. Passport
- Military identification card with photo
- Student identification card with photo – from a high school or an accredited institution of higher education
- Tribal identification card with photo
